

# MAGNETIC NAVIGATION WORKSHOP

IN COLLABORATION WITH THE SOCIETY FOR CARDIAC ROBOTIC NAVIGATION (SCRN)

Join Stereotaxis for education in ablation with remote magnetic navigation

**date** October 18-19, 2017

**locations** Hospital da LUZ (Lisbon, Portugal)

## Faculty:

**Prof. Pedro Adragão** (Hospital da Luz, Portugal)

**Dr. Diogo Cavaco** (Hospital da Luz, Portugal)

**Dr. Jan Lukas Robertus** (Royal Brompton Hospital, UK)

**Dr. Tamas Szili-Török** (Erasmus Medical Center, Netherlands)

# MAGNETIC NAVIGATION WORKSHOP

## AGENDA

18 October - Hospital da Luz

13:00 - 18:50

13:00 - 13:15	<b>Welcome and introduction</b>
13:15 - 13:45	<b>Practical considerations in patient setup for different patients</b> <ul style="list-style-type: none"><li>•Magnetic safety</li><li>•Obese patients</li><li>•Patients with devices</li><li>•Patient sedation / Anesthesia</li><li>•Congenital patients</li></ul>
13:45	<b>Live procedure begins / Parallel agenda during the live case</b>
14:00 - 17:30	<b>Practical considerations for different type of procedures</b> <ul style="list-style-type: none"><li>•Effective AF workflow</li><li>•Mapping and imaging</li><li>•Ablation parameters</li><li>•Stereotaxis tools<ul style="list-style-type: none"><li>o e-Contact module</li><li>o Ablation history</li><li>o Automation tools</li></ul></li></ul>
17:30 - 17:50	<b>Lisbon experience with Stereotaxis</b>
17:50 - 18:50	<b>Stereotaxis for all chambers -round table discussion about how to capitalize magnetic navigation system in your practice to full potential</b>
18:50	<b>Summary and transfer for dinner</b>

19 October - DoubleTree Hilton

9:00 - 12:00

9:00 - 11:30	<b>Hands-on workshop on anatomy for electrophysiologist</b>
11:30 - 12:00	<b>Conclusions</b>
12:00	<b>Adjourn</b>
